

# Spring Semester (includes January & Feb) 2021 All Course Network (ACN): How to Create an EnrollRI Account and Register for Courses

Parents of students in grades K-8 should create accounts to register their children for ACN courses in EnrollRI. Families who used Go Sign Me Up previously to register for ACN courses previously will still have to create a new account in EnrollRI and should receive an email in advance with their user credentials

1. Beginning January 5, 2021, visit [EnrollRI.org/acn](http://EnrollRI.org/acn), select “Spring Semester 2021 ACN Courses” and click on “Create an Account.”
  - a. Use a personal email to create all accounts – NOT a school email for students.
  - b. If a student does not have access to a phone that can receive text messages, they must select “email” as the verification method.

2. After creating and verifying your account, you will be logged in to the system. To access your account in future visits, return to the home screen and insert the email or phone number associated with the account and click “log in.”
  - a. EnrollRI is “passwordless,” so users just insert a one-time code from their phone or email and don’t have to remember a password to access their account.

3. Fill in “student information.”
  - a. Fields with the red lines are required.
  - b. This information can be edited at any time from the student dashboard.

4. To browse and register for courses, click on “add course” from the student dashboard.
  - a. Available courses will appear on the selection page based on the student’s information. Click the “info” icon next to the course for details on meeting times, credits, etc.
  - b. A student can pre-register for as many courses as they want, but can only enroll in 2 courses for Spring 2021.
  - c. Courses that do not have seats available will show up as “full,” and can be selected for a student’s waitlist.
  - d. To pre-register for a course with prerequisites, students must confirm that they have met those requirements.

5. Once students pre-register for a course, they will show up in the student dashboard as “pending approval.” Students will receive emails when school members approve or deny their pre-registration.
6. If a student is on the waitlist for a course and a spot opens up, they will receive an email notification that they are enrolled. If an enrollment offer would put the student over the maximum number of courses allowed (2 per semester), they then have 2 days to log into the system and accept or decline the offer before the offer expires.
  - a. *Note: If students are enrolled in 2 courses and are offered a spot in another course, they must withdraw from one of their previously-enrolled courses.*
